

TAA Navigators

Navigator Job Duties as it relates to Adult Education

Plans and coordinates the delivery of customized Trade Rapid Response (RR) services and benefits under the Federal Trade Adjustment Assistance (TAA) Program to eligible employees and small and large employers impacted by layoff due to foreign competition.

Coordinates with local Adult Ed Program Managers for the creation and development of PluggedInVA training opportunities for trade affected workers that meet the industry driven opportunities based on knowledge gained from partner meetings and employer contacts.

The Navigators are to build strong relationships with Adult Ed Program Managers statewide to ensure Adult Education has a strong voice at all Business Services Team Meetings.
